"Walker" was a large masculine male, with a gorgeous side gait, very clean coming and going. Strong feet and pasterns and small strong hock seldom seen today. He carried a nice wither and strong back, with correct length. The female must have strong ears. He did produce some puppies where the ears didn't stand. His temperament was aloof, but approachable.

Walker won in both the specialty and all breed rings. Finishing his show career with several Best of Breeds and a Group 1.

He has sired 4 champions and 1 qualifier towards his ROM from only three litters.
