Ch Kris-T's Chicago CGC PT HSAs "Capone" certainly has started 2012 off with a bang! Shown only 3 times he has won Best of Breed at all three shows. It will take time for the All-Breed judges recognize a beautiful black, but we are patience.

He will continue to be shown selectively at both All-Breed and Specialty shows to complete his Grand Champion title. So far he has won 4 majors under 4 judges and defeated Champions at 4 shows. Has a total of 16 points, leaving only 9 points to complete the title.

Kris-T's Chicago Bootlegger "Buck" continues to show the potential Kristin and I saw as a puppy. He was awarded Reserve Winners dog multiple times as a puppy. At Chintimini Kennel Club he was award Best GSD Puppy and was awesome in the puppy group. In April, he turned one and was shown at his first specialties. Not being able to attend...Kristin took him and everyone was so supportive to help to teach her to double. The feedback was he was gorgeous running in the big ring.
