GS-EL288525M25-VPI
DNA profile:
DNA Coat factor: Coat
DNA DM profile: Carrier
DOB: 4/5/2011
Color: Black & Red Gold

"Elliot" has turned out being a fabulous Agility dog under the guidance of Chris and Jim Primmer. He has made us so proud of these accomplishments.
Last report....he needs only 2 more double Q's to obtain his
PACH "Preferred Agility Championship."

In October 2011 Chris and Elliot competed in a Companion Good Citizen test -- CGC. Testor commented that he had never tested a dog so young, but was very impressed on how well behaved and calm he was.
" I...passed!"

He was such a cute puppy, pictured here at Dave and Trudy's farm with his Dad "Capone" and his brother "Buck".
Guess who found the puddle, to this day he loves water!
Ugh!!

Finished his Agility Championship — PACH
Congratulations Chris and Jim Primmer

Owned by two very special people
who guided him to all of these
titles !!

You will be missed by all that
loved you!!

Rest In Peace

“Elliot”
