Fletcher has started his show career. Living with Lindsey and Zac. We entered him in 4 shows in Palm Springs, 2 specialties and 2 all-breed. At the specialties he won his class and pick up his first Best Puppy under Tedi Ginsburg. At the All-breed shows he was awarded two - 3pt Major reserves and the first qualifier for both Max and Lizzy's ROM's

His 2nd weekend out at Sun Maid KC of Fresno from the 6 to 9 month class, he earned his first two points
 WD/BW — Charles Olvis and WD —Albert Bianchi

Fletcher continues his winning. At the same shows his sister Mona began her show career. As she begins to learn about beginning a show dog. Fletcher picked up another point and two more 3 pts major reserves all from the 6 to 9 puppy class
