" ${f Rhett}''$ is from the repeat breeding that produced "Gotti" . He is medium to large male, with

beautiful front and strong driving rear. He has a strong back with a beautiful croup and nice strong short hocks. A good temperament sensitive with his owner and approachable.

The only difference between the boys is Rhett didn't enjoy the ring like his older brother, but preferred his life at home.

Rhett was handled exclusive by the Hudspeth team — Lindsey and Zac.
