## It was time to bring in something new!

When Skeeter Benton mentioned that this lovely bitch was available. I took a trip up the Columbia Gorge to see and was impressed. As everyone knows I love big bitches and she is that and more, beautiful breed type and yet still feminine.

Gorgeous bone with beautiful feet and pasterns. A well laid on shoulder with good length of upper arm and shoulder lay back.

She has a great sense of humor but very willful and wants to do everything her way. A bit aloof with new experiences, but she works thru them.

**Skylar was originally purchase to breed to my GCh Kris-T's Chicago CGC PT HSAs HRDI "Capone" and last year she blessed my with his litter.**

**Below are picture of their three promising puppies.**

**Kris-T's Chicago Blackjak Sparrow**
